

## Cubs Newsletter September 2015

To All Parents,

As we approach the change in season, we ask that all children have appropriate clothing as we do spend a good deal of time outside. Please can you ensure you have **NAMED** your **child's hats, coats, gloves and scarves.** Many children have the same items and it is essential to name them to ensure your child's clothes do not get muddled up. Thank you.

*Parents – Please provide a full set of spare clothes for you child if they are toilet training, including underwear and socks. If your child is in the beginning stages of toilet training, please provide more than 1 full set of spare clothes.*

*Thank You.*

If you would like to receive your newsletters by email, please give your email address to the office. You could also view purchase or print at home, photographs of the children taken at Nursery.

### STAFF NEWS

We have had to say farewell to Miss Michelle at the end of August, and to Miss Fiona in September.

We thank them for their many years of hard work and commitment and wish them both every future happiness. We will miss you.

### MORE STAFF NEWS

We welcome Miss Melissa to our team here at Training Depot Day Nursery. Miss Melissa is mother to Frazer (7) and Lucas (5) both of whom have attended TDDN. She has come from a primary school near Letchworth where she was, amongst other things, a class teacher, the Inclusion Manager and the Deputy Head! Please do introduce yourself to Miss Melissa when you can.

### EVEN MORE STAFF NEWS

We are happy to share the news that Miss Nafisa celebrated her marriage in August and will be returning to work in October.

*congratulations*

## Mr David's Message

Dear Parents and Carers

Welcome back at the start of our new term as well as the new nursery year – I hope you have all enjoyed the summer break managing some time away.

To begin, I recommend to all parents new to our nursery to please make sure you always look out for these monthly newsletters. They provide up to date information with most activities happening in nursery, especially within the nursery room where you child is learning. They also keep us informed of important administration changes and developments made as we follow our nursery learning curriculum in each of our rooms.

Important changes this month include our warm welcome to our new Nursery Manager – Miss Melissa. Please call into the office – even if just to say hello. Also, many of you already know Miss Grace – now appointed our Team Leader to support Miss Melissa. Just as important – further new staff arrivals – again warm welcomes go to Miss Nargis, Miss Fabia and Miss Amy.

When settling your children we often mention the great help Dads and Mums themselves provide – simply by carefully avoiding showing their own levels of anxiety at the separation. Difficult we accept - but always so helpful whenever given. Please be certain to make yourselves known to both your child's Keyworker – there are pictures of each of them at the nursery room doors, as well as their Room Leader.

Please understand the difficulty our staff often experience with the frequent requests received to change sessions – this can be especially difficult to arrange when our nursery is full – there is a top limit to numbers of children we can care for in each room. Thank you for your patience.

Finally, please wish our staff team well as several members attend the annual Nursery World Awards ceremony in London at the end of this month – we are a nominated finalist in the Nursery World Team Development Awards for 2015.

We all very much hope your children enjoy their journey with us, this year.

Mr David
