Mr David's Message

Dear parents,

We all hope this reaches you in the middle of a very enjoyable summer break whether this should mean days out from home or going farther afield.

Many of you, I trust have already received my message regarding the departure of Miss Michelle, our Manageress, also Miss Fiona, our Deputy Manageress together with our news of the appointment of Miss Melissa our new Nursery Manager.

We shall miss our longstanding members of staff greatly wishing them both well in their new career paths. Miss Melissa has already been 'adopted' into our 'family' with several opportunities to meet the team. We also wish her well in her role.

The reduced numbers of children staying with us through the summer mean a great opportunity for members of our staff to finish winding down and completing the remaining work left from last term and finishing the records for transfer to schools for those leaving. Equally important, they are making preparations to welcome all our new children – some already having started with us, many more expected at the beginning of September.

With over 50 children having graduated and moving up to school, we have been delighted by the many children now registered with us and awaiting the September term start. This, in no small part, is due to the many kind words and recommendations which parents have shared with families and friends.

Thank you – so much.

Being three weeks into our break, we look forward over the next 5 weeks to many Summer Scheme children, up to 8 years old, joining with us for some summer fun with new friends or for those returning, many old ones. This helps greatly for those younger children who are moving upstairs to Tigers to join the older ones. Nursery teams in both rooms have worked very carefully with parents to ensure this runs smoothly.

Finally, a reminder, we have many Graduation Day picture prints which have been ordered awaiting collection in our office PLUS it is not too late to order prints from the proofs we are also holding from which to choose your own pictures.

Happy holidays to everyone

Mr David
