

TDDN Newsletter

March 2017

Please provide warm and waterproof outdoor clothing (labelled) for your child/ren to wear in the spring months – we do take them out, whatever the weather!

Please give the Office at least one week's notice if you need to change your child's sessions. We cannot accommodate session changes at late notice - thank you.

Training Depot Day Nursery endeavours to stay open during snow days. If there is heavy snow and your child is not going to be in, please do telephone the Nursery as soon as possible.

Please could you also make sure that your child has a spare (named) change of clothes at Nursery, especially if your child is toilet training.

Thank you.

Vitamin-D Supplementation

The recommendation for vitamin-D supplementation are changing. The new recommendations state the following amounts per day:

- 10 mcg per day for pregnant and breastfeeding mothers
- 8.5 mcg per day from birth to 1 year
- 10mcg per day for 1 year +

Please Note: Failure to pay your child's fees may result in their place being offered to someone else.

Red Nose Day

Red Nose Day is on Friday 24th March. WE ask that the children come dressed in red on this day and donate some money to this worthy cause. (Suggested donation of £1).

Please add us as a friend on Facebook to keep up to date with topics, books and pictures...

Dates for your Diary

Duck Eggs: Tuesday 7th March – Friday 17th March

Term Ends for Grant only Children: Friday 31st March

Summer Term begins: Tuesday 18th April

Red Nose Day: Friday 24th March

Mr David's Message

I have some great news to share with parents and carers in our March newsletter – related both to our staff team and the exciting programme of activities and events arranged.

We have three new members joining our staff team, the first being the welcome return of Miss Salma whom several of our parents will fondly remember, also, we welcome two new faces: Miss Nafeesa and Miss Shaheana. Please look out for them, their names will be on their tabards and they will be seen on our Staff board outside the office – they could possibly be your child's keyworker!

LBC – Anne Mason Awards (SEN)

We have several members of our staff nominated for awards for best practice and outstanding care with those children experiencing Special Educational Needs in nursery. Such care can very often prove challenging and together with a very considerable amount of important planning and monitoring paperwork to maintain, my opinion is all of them should be winners. However, I am not judging....

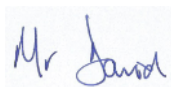

In Week 2 of the month we will be acting as a nursery for the BIRTH of our Ducklings who will join us for two weeks! Please ask to be shown the hatching ducklings or watch them growing when you collect or drop off your children.

Elsewhere you will see we are expecting the return of Jo Jingles in April with her music, songs and movement – a very popular visitor with all of our children.

Our Mud Kitchen at St Anne's will be swinging back into more regular use with longer days, also children will be busy helping prepare the garden we use, some ground preparation, added compost and then our seeds and planting.

Altogether another busy month as we head toward the Easter break.

Best wishes
