

# TDDN Newsletter

## July 2020

Please could you make sure that your child has a spare (named) change of clothes at Nursery, especially if child is toilet training.

**Thank you.**

Please remember to apply your child's sun cream before they start their day at Nursery

Please add us as a friend on Facebook to keep up to date ...

### Parent Consultation

Thank you to all the parents that have emailed to say they would like a consultation. We will be carrying this out at the beginning of July. Miss Shahina will be in touch to arrange a time for the consultation.

If you have not yet been in touch, you can email Miss Shahina on

[officeadmin@trainingdepot.co.uk](mailto:officeadmin@trainingdepot.co.uk) and she will arrange a time for the consultation with you.

### Sports' Day

We will be holding a sports' day for the children that are attending in their bubbles. Unfortunately, we will be unable to invite parents to take part this year. Please look out for the date and ensure they are in their correct sportswear.

Dear Parents,

A warm welcome back to the ones returning to us at the beginning of June. The children have settled back to their routines really quickly and have adjusted to their bubbles which are working well.

It has been lovely seeing you all and catching up.

Thank you for following the rules and helping us to ensure there is a smooth transition for all the children returning.

Last month we explored the following themes:

- Inspirational women from around the world
- Role models
- Learning about what makes us different and the same
- Stories about autism, asthma and food allergies
- Occupations – which led to creating a role play area
- Saying 'hello' in different languages
- Water play – washing cars, 'painting' on walls, number ducks, boats, sea animals, letters
- Diversity puzzles (cultural and disabilities)
- Painting faces – using mirrors, painting Frida and Rosa
- Making a Frida hairband
- Dancing – cultural music parade with instruments

### Starting School

We have been in touch with LBC to seek advice for parents that have been in touch about their child starting school this September. LBC do not have any updates, as to when schools will be able to let your children start school.

We would suggest that you contact the schools via email/telephone.

We will keep you updated when we know more.

### Charges

Please remember to refill your child's nappies and wipes. If Nursery supplies are used, there will be a charge.

**Please Note: Failure to pay your child's fees may result in their place being offered to someone else.**

# Mr David's Message

Dear Parents,

Entering as we are the last month of the last term – for the nursery/school year 2019/20 - seems unbelievable. Despite the very frequent and difficult, sometimes distressing, experiences of this year – it is coming to a close.

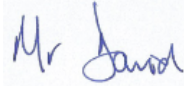

To every one of our small, as well as ever precious children leaving us, we wave each one of you away on your exciting, very interesting journey to wherever has been decided with your parents. Information to help is given elsewhere in our July Newsletter. We all hope you have been successful in achieving registration at the schools you chose.

Our calendar of activities for July has been seriously reduced, as have each of the months since February. We wish it were different and that it significantly improves for everyone wherever they are in September. Thank you parents, for so many kind comments received for the help our staff have provided for supporting the continuing work – both in nursery and at home.

Please, Parents, do take an opportunity to say a very warm thank you to Miss Sandhya and her tremendous Deputies and every other member of our Staff who have ensured 'we never close!' You will, I know, join me in congratulating them all on outstanding effort in care and learning for your children in circumstances each one of us hopes and prays never ever returns.

Our love and best wishes to you all and thank you for choosing Training Depot Day Nursery

July 2020
