Healthy Tips

It is how often we have sugars and acidic food/drink that has the biggest impact on our teeth – not just the amount. This is why snacks and drinks in between meals need to be tooth-friendly.

OFFER VITAMIN D SUPPLEMENTS

EVERYDAY

Please do remember to apply sunscreen to your child.

Flying start is still operating and will continue to support parents through on-line classes at the moment. They are in the process of redesigning their website it should be up and running very soon with the latest training program available for all parents. Please see link below for more information.

<https://www.flyingstartluton.com/update/>

Dear Parents,

What a busy month May was! We have been busy organising transition for all the children starting school in September. Please ensure you share the name of your child's school with us if you have not done so already. We hope you have met the new members to join our team. This being Miss Aisha, Miss Sonya and Miss Anastasia. Please continue to support our staff at handover by arriving on time. If you are going to be late, please call the Office so the rooms are notified. Also please arrive 10 minutes before 6.00 pm so there is enough time for handover.

School Transition

We have begun the transition process with the schools, to ensure they have a sound understanding of your child's needs. This has been done through telephone conversations. We do advise parents to also email or call the school if you have any unanswered questions.

To help you at home you could:

- ✓ Talk with your child
- ✓ Read with your child
- ✓ Count with your child
- ✓ Play listening games
- ✓ Encourage the skills for independence
- ✓ Encourage your child to hang up their coat and tidy away their toys
- ✓ Support your child to join in and share toys with other children.
- ✓ Provide daily physical activity

Mr David's Message

Dear Parents and Carers,

Everyone at Training Depot Day Nursery welcomes you back. We very much hope that you and your families have all much enjoyed the Summer Half Term break.

We look forward to helping parents and children carefully prepare when expecting their next steps to be a transition to school. If this applies to your family, please talk with our Nursery Practitioners regularly. We are here to help.

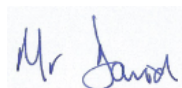

Please consider once again the Covid Safety Rules we use and recommend – these will be very similarly applied at Primary School.

June term start is a great opportunity to share 'WOW' moments from holidays with our staff. These achievements can also be shared with your child's friends at Nursery. Also, be on the look out for plans for new Sensory Experiences introduced bound to raise the fun factor! And ask your children about how they enjoyed our Eid Party just before half term.

Parents, please kindly consider the following at the start of term:

1. Face coverings are important and **must** continue to be used.
2. Please be accurate and patient at 'drop off' and 'pick up' times.
3. Every parent and carer please be aware – we have extremely limited space in our garage for your belongings. We can **only** accept storage of **collapsed** strollers/pushchairs.

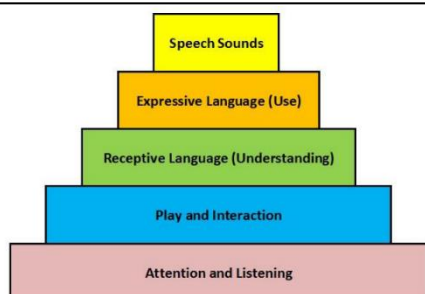

With very kind wishes – we look forward to a new term.

June 2021

The Development of Communication

Worried about your child's speech not sure if they need support? Please speak to Miss Shanique or Miss Sandhya for help or advice. For useful information follow the link <https://childspeechbedfordshire.nhs.uk/>

On-line Safety

Please ensure you are watching and controlling what your child accesses on-line. Limiting your child's time on iPads, computers and mobile phones is very important. <https://www.nspcc.org.uk/keeping-children-safe/online-safety/>

Coronavirus Safety Rules

PLEASE BE MINDFUL when using the garage - you are very welcome to store buggies in the nursery garage, as long as they are folded up. Nursery Staff need to access the garage regularly for supplies, resources trips etc.

Domestic Abuse

Domestic Abuse is a crime in which the abuser seeks power and control over their victim and can affect women, men and children. Although Domestic Abuse is often physical, it does not have to be; it can also be psychological, sexual, emotional or even financial. Domestic Abuse can affect anyone, regardless of race, age, social background, gender, religion or sexuality. It can happen in short or long-term relationships, with ex-partners or family members. It is not acceptable in any circumstance. Victims of Domestic Abuse can feel very isolated, and incidents of abuse often go unreported because the victim may feel trapped or alone.

Male Victims of Domestic Abuse Domestic Abuse is not a crime that is limited to women, 1 in 6 men are victims also. As well as the Signpost Hub being available for support there is Men's Advice Line: Tel: 0808 801 0327 Website: <http://www.mensadviceline.org.uk/>

Follow the link for more information <https://signpostforbedfordshire.com/domestic-abuse>

It is very important that children are given opportunities to experience all weathers. Some of the benefits of enjoying the outdoors in all weathers include:

- The sensory experience of listening to and feeling different weather conditions such as the wind, rain, and snow
- Discovering about seasons and the changes that happen in the environment such as crunchy leaves falling off the trees
- Holistic development
- Learning to manage the new risks that come with different weathers such as drinking lots of water and sun cream when it's hot, or being careful of ice when it's cold
- EYFS learning experiences such as painting with wet mud when it's raining or catching rain in containers and talking about quantities and numbers
- Plus, many fun activities such as den building to keep dry or to provide shelter from the sun, splashing in puddles, crunching leaves, minibeast hunting and much more

Wow Moments!

Please remember to share your WOW moments with us. These could be:

- using the toilet for the first time
- using a knife and fork
- going swimming

NHS
Children's Community Health HUB
 Your one stop contact point

0300 555 0806 Open 9am-5pm every weekday (excluding BH)
ccs.bedsandlutonchildrenshealthhub@nhs.uk
