

TDDN Newsletter

March 2022

Please provide warm and waterproof outdoor clothing (labelled) for your child/ren to wear in the spring months – we do take them out, whatever the weather!

Please could you also make sure that your child has a spare (named) change of clothes and wipes at Nursery, especially if your child is toilet training.

Please drop off and collect your child at the correct times. Early arrivals and late collections will be charged.

WORLD BOOK DAY – Thursday 3rd March
Please encourage your child to share their favourite book characters with us. Also, it would be great if they brought in some books to share with their friends throughout the week. On the 3rd, all Practitioners and children are welcome to dress up as their favourite book characters.

Dress Like Your Favourite Book Character!

WORLD BOOK DAY

We hope the storm did not cause you any difficulties and that you were able to stay safe.

The children have enjoyed exploring science themes with their peers over the last few weeks.

Please do make use of our TDDN library, and ensure that you share your children's comments about the books you have read at home.

We are always very excited to learn what you and your children think.

Welcome to the new parents who have joined us this term. If you have any questions, please ask any member of our team.

We have a busy month ahead of us, including Parent Consultation on 31st March for the Cubs, and 1st April for the Tigers. Please contact the Office to make an appointment with your child's Key Worker.

Is your child ready for school?

- Embed healthy eating and sleeping routines
- Promote independent toileting for the child starting school, always bearing in mind the differing needs of children with SEND
- Help your child to communicate, share resources and interact positively with other children and adults
- Provide your child with the equipment they need to start school such as school uniform and shoes.

Do you need help and advice with any of the above? Please speak to Miss Sandhya or Miss Nargis.

Top tips for helping your child to be ready for school

- Talk with your child
- Read with your child
- Count with your child
- Play listening games
- Encourage independence
- Encourage your child to hang up their coat and tidy away their toys
- Support your child to join in and share toys with other children
- Provide daily physical activity

Starting School

Please let us know as soon as possible when you hear about your child's school so that we can organise transition phone calls, and share your child's progress trackers.

Mr David's Message

Dear Parents,

Welcome Parents to the month of our new Spring Term, already passing quickly. Remember, every child receiving either 15 hours or 30 hours of Government Grant payments begins their Easter Holiday with schools from Friday March 26th.

Please carefully check through our Newsletter containing a great amount of information to be remembered during March, including...

BIG DATES

1. Monday 7th, 14th and 28th Tot Bop
2. Thurs 3rd World Book Day
3. British Science Week commencing Monday 11th
4. Thurs 17th St Patrick's Day
5. Friday 18th Holi celebrations
6. Sunday 20th the beginning of Spring

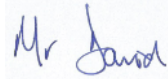

Also, please remember :

Training Depot Nursery Library books are being shared for reading at home for safe return.

Finally, do carefully read through the guidance describing good food to choose and eat.

Hoping you all enjoy working with your child, both at home, and with your Key Workers at Nursery.

With Best Wishes,

March 2022

Holi

Holi celebrates the arrival of Spring, and the end of Winter – the blossoming of love for many. It is a festive day to meet others, play and laugh, forgive and forget and to repair broken friendships. The festival also celebrates the beginning of a good spring start to the growing season.

Don't let Measles, Mumps and Rubella into your child's world

The risk of catching Measles, Mumps and Rubella increases when your child goes to nursery. When you don't get your child their MMR vaccines, they're left exposed to becoming seriously ill.

Protect your child with both MMR vaccines. Contact your GP to book their first or second dose. Find out more at [nhs.uk/MMR](https://www.nhs.uk/MMR)

FRIENDLY

Healthy Tips

1. Introduce open-top cups to babies from 6 months old; discourage the use of bottles by their 1st birthday.
2. Toothbrushes should be replaced every 2-3 months or sooner once the bristles become splayed.
3. Toothbrushes should be air-dried, not touching anyone else's brush, after use.
