

TDDN Newsletter

May 2025

Dear parents

April has been a busy month with Parent consultation, visits from chicks and butterflies.

Welcome to all the new children and families that have joined us in April. Please remember you may get behavior forms, Safeguarding forms.

If your child cannot attend nursery, please email the nursery on officeadmin@trainingdepot.co.uk to explain why.

Thank you to everyone for informing us about your child's school, we will now start to book transition meetings with your school. Please remember it is important for you to visit your child's new school and attend any open days / evenings.

Starting School

Please email the office to let us know which school your child has been allocated.

Starting School

Which school is your child going to?

How to support your child when they start school:

1. Visit the school
2. Attend open days or evenings
3. Take a look at their webpage
4. If you need advice, speak to the family worker, they will be more than happy to help
5. For more information, use the following link:

<https://www.flyingstartluton.com/preschool/parent-transition-resources/>

SAFEGUARDING -

Documentation you will be expected to sign...

- TDDN accident forms
- Home accident forms
- Behaviour Forms
- Safeguarding forms
- Medication permission slips

How to support your children at home with Multilingual: -

1. keep speaking to your child in your home language and model correct pronunciation rather than correcting theirs.
2. Give your child extra time to respond. It can take a bit extra time to process different language
3. Please share with us key words in your language, if your child does not speak English. This will help us to support them at nursery

OFFER VITAMIN D SUPPLEMENTS

EVERYDAY

Healthy Tips

1. Did you know that the whole family, including babies, can use the same standard (non-whitening) toothpaste? It may be beneficial to get them used to the minty flavour early on.
2. A supermarket own-brand toothpaste is just as effective as a more expensive, branded toothpaste. Just remember to check the amount of fluoride in the toothpaste.
