Dear Parents

Hope you've enjoyed your bank holiday and managed to attend the Luton carnival. Looking at the photos it looked like an amazing day. Thank you to everyone that attended our community tea party. We had Miss Salma busy taking about Growing healthy families, Miss Shanique helping families select the plants they would like to plant for their gardens. Please share photos with us of your plants progress.

Our team has been working hard to complete transitions for our children moving to school. Please ensure you attend any invites from the school as this will help to complete a smooth transition.

Please remember to order your photos by the deadline.

If your child is leaving us to start school, please remember to write a review in our parents book or online.

Healthy Tips

If your child does not like to brush their teeth, try doing a toothbrushing activity with them, such as drawing some teeth on paper and using an old toothbrush and shaving foam to brush them!

Starting school

Taking care of themselves

Putting on/taking off their coat and shoes

Using the toilet and washing their hands

Getting dressed with little help, e.g. after using the toilet or doing PE

Using cutlery (e.g. fork and spoon, chopsticks) and drinking from an open cup

Spending time away from you, learning they can be looked after by caring adults

30 hours

30 hours for 9mth, 2years, 3/4 years old if you are a working parent, please make sure you apply before the 20th August and email officeadmin@trainingdepot.co.uk to ensure your days are booked for September start.

Please share with your friends and families that there will be spaces available from September.

Bring your pet to nursery

If you would like to take part, please email officeadmin@trainingdepot.co.uk so we can make arrangements for your pets. We would encourage parents to stay for a while and introduce their pets to the children.
